Shredded Wheat

a man's food and a boy's food, rich in the proteids that repair waste tissue, that perfectly nourish a growing youngster.

Don't blame the boy for mental backward-ness. Feed him right. Shredded Wheat contains all the body-building material in the whole wheat grain made digestible by steamcooking, shredding and baking. Eat it for breakfast with milk or cream. Eat it for lunch with sliced bananas and cream. Eat it for supper with luscious ripe berries or other fresh fruits.
